13. **Players must play for the TYFL town where they go to school.** If a player does not go to a school in a TYFL town; then a letter **must** be written to the TYFL Board where a decision will be made **by** the TYFL Board if the player is eligible to participate in the given town and/or where the player should actually play. The TYFL Board will make the decision based on the player's address to the closest TYFL town. The player will need verifiable proof of residence (utility bill, school, bank record, etc.) **There will be no "Grandfather Clause"**.

TYFL is not a select Football league. Teams will consist of a maximum roster of 34 players. Any town with more than 34 players may split teams as defined below by the first day of UIL practice.

- a. Team Breakdown structure:
 - i. Grade pure
 - ii. Combination
 - iii. Draft
 - iv. Discretion of local league

14. Players cannot be added to a team (*Player Eligibility must be met*) after **Week 4**. Any additions to a team after weigh-ins must go through the TYFL Board to verify eligibility. If a player is playing for a team and is not on the TYFL official roster; then that team will forfeit all games for the given season.

If a player meets all eligibility requirements and signs up after the specified last date to weigh in; then the player will be ineligible to be a ball carrier and/or line up skill position – those positions are as follows: (***Quarterback, Running Back, Tight End or Wide Receiver***) for the duration of the current season.

15. Weight Limits / Weigh-Ins

Weight limits for offensive players who can line up in a skilled position (Quarterback, Running Back, Tight End or Wide Receiver) to be given the football are:

Grade Divisions	Weight Max for ball carriers
1st	90 lbs.
2nd	90 lbs.
3rd	110 lbs.
4th	110 lbs.
5th	140 lbs.
6th	140 lbs.

The only exception to the weight limit rule will be a defensive player who recovers a turnover. Any weight restricted defensive player who recovers a turnover can return the turnover without the whistle being blown dead. If a defensive or offensive player attempts to lateral the ball to an ineligible ball carrier the play will be blown dead by the referees at the point of the lateral/handoff. All players that are eligible to be given the football to run (under the weight limit) must have a TYFL logo sticker placed on the back of the helmet by an independent person at weigh-ins.

Weigh-ins will occur at a central location, date/time/location will be communicated to all coaches at least (7) days prior to the event. All players will be weighed using the same scale. All players eligible to carry the ball will have a "TYFL/Year" sticker affixed to their helmet (**Every player must have a helmet at weigh in**). All teams/players will be required to attend; any player that does not have a "TYFL/Year" sticker affixed to their helmet will be ineligible to line up in a skilled position to be given the football.

A "skilled" position is defined as any position that is not the snapper, guard(s), or tackle(s) – two players to either side of the snapper. All other players in formation are required to have a sticker. A player without a sticker lined up in an ineligible position will result in a five (5) yard penalty for illegal formation.

Players without stickers can line up as punters but cannot advance the ball beyond the line of scrimmage. Any non-stickered player who receives the ball as a punter can only punt the ball. Any attempt to hand off, pass, pitch, or advance the ball in anyway will result in the play being stopped immediately at the spot.

Each player will be provided a single opportunity to weigh-in. No player can weigh-in multiple times or at multiple locations. No player can attempt to weigh-in again after having been weighed. Any player that cannot attend the weigh-ins will not be eligible to play any skilled positions during the following season.

All players must provide a report card or letter from the school as proof that they attend that school and are in the grade that they are signed up to play for. Each player will need to provide this information at the designated weigh-in for their town.

Any player that does not provide this information will be deemed ineligible for the given season. Any team found to have an ineligible player on their team will forfeit **ALL** games for the given season. The head coach of that town will be replaced before the next game; if that head coach is the towns voting member he will also be replaced.

Players cannot change between teams after weigh-ins (example: a 5th grade player on the VA 5th/6th team at the time of weigh-ins; the player cannot move to the VA 5th team.) Once a player is on a team after weigh ins; then that roster is considered frozen, and those players must remain on that team for the entire season including playoffs.

16. The TYFL has a no jewelry policy for all players.
17. The Super Bowl host town will be awarded by a draw from the hat. If the host town has a grass field; then an artificial turf field will be drawn as back up in the case of inclement weather.
18. Full Pad Practice (helmets & shoulder pads) may begin each year on August 1st.
19. Tie breakers to determine season standings (for the purpose of bracket position & playoff eligibility) will be as follows:
 - a. Overall Divisional Record
 - b. Head-to-Head competition
 - c. Points Allowed (Points allowed will be determined by points allowed
 - i. against the tied teams
 - ii. Then against like opponents
 - d. Coin Toss
 - e. In the case of a season ending with an unequal number of games played, then tie breaker would be the least number of losses.
20. **Playoff Structure:** (Single elimination – for scheduling and site reasons)
 - a. Divisions with 16 or more teams will be split into (2) Divisions for post season play. Top 8 will be DI and Next 8 will be DII.
 - b. Divisions with 12 to 15 teams will be split into (2) Divisions for post season play. Top 6 will be DI and Next 6 will be DII.
 - c. Divisions with less than 12 teams will be (1) Division. Top 8 will be DI. If a division has less than 8 teams, then all teams will be in the playoffs.

Age Groups

The league is designed for:

Age Divisions	Eligible ages by Sept 1	Weight Max. for oldest age
1 st & 2 nd Grade	6, 7, 8	NA
3 rd & 4 th Grade	7, 8, 9, & 10	NA
5 th & 6 th Grade	9, 10, 11, & 12	NA

Game Play Rules

TYFL will use the rules of the UIL in Texas to officiate all contests. The only variations from the UIL rule book regarding TYFL play are:

Kickoffs

1. 1st/2nd grade division – There will not be a Kickoff for this division. In lieu of a Kickoff the ball will be placed at the receiving teams' 35-yard line and live game play will begin.
 - a. In the event of a Safety. The ball will be placed at the receiving teams' 35-yard line.
 - b. On-Side Exception – In the 4th Quarter Only, the team that is behind in points, after they have scored a touchdown, will be allowed at the coaches' discretion an "On-Side" try. The ball will be placed at the 50-yard line. The team will be allowed a possession starting with a 4 down and 15-yards for a 1st down. If the team is successful on this 4 and 15 try, the possession will continue as normal. If the team is unsuccessful in this try, the ball will be turned over on downs.
2. Kickoffs will be placed at the 40-yard line (3rd – 6th grade division), unless a penalty is assessed, the assessment of penalty yardage shall begin from the 40-yard line as well.
3. No player may advance a kickoff that exceeds the weight limit for being able to line up in a skilled position (*See Bylaws Section 15*). The play will be blown dead, if the football is caught by a player without the approved weigh-in sticker for that year.
4. **Rules for Punting**
 - a. 5th & 6th grade divisions will be live as in UIL rules.

- b. 3rd/4th grade divisions – when a team elects to punt the referee will be notified by the offensive coach. The referee will then tell all of the players to remain motionless until the ball strikes the punter's foot. Live play begins when the punter strikes the football with his foot. This action must take place behind the offensive linemen on the line of scrimmage. The punter cannot punt the ball unless he is between the tackles, and the ball must go past the defensive line to be ruled a muff/turnover. The punt will follow all rules for a punt once the ball strikes the punter's foot.
- c. 1st/2nd grade division – A mark-off of 25 yards will occur if a coach elects to punt the ball on 4th down, if the kicking team is outside of the 50-yard line (if team is in their own territory). If the team is inside of the 50-yard line (in the opponent's territory) they must run a play to attempt to achieve the 1st down.

5. Game Play Time

Each game will be 8 minutes per quarter with 4 quarters per game.

- a. Half times are 8 minutes but may be adjusted to maintain the schedule.
- b. **Mercy Rule:**
 - i. If a team gets ahead of another team by 20 or more points, the referees will begin a continuous clock. If the lead takes place in the 1st half of game play; then the continuous clock will begin at the start of the 2nd half kickoff. If the losing team brings the score back to under a 20-point margin; then the game clock will revert back to a normal running clock.
 - ii. During the continuous clock period, **timeouts may be granted at the Referee's discretion. Timeouts will not be granted to the team that is ahead in score.** Any timeouts taken during the continuous clock period that are granted – will have a normal time out period; **however,** the clock will start at the referee's signal.

6. Player Playing Time

- a. The TYFL does not have set playing time rules for players on any level. It is up to each town/team to set their own playing time rules and regulations if any.

7. Coaches on the field

- a. 3rd & 4th grade divisions will be allowed to have 1 coach on the field.
- b. 1st & 2nd grade divisions will be allowed to have 2 coaches on the field.
 - i. **After leaving the huddle the offensive coach must be 5 yards deeper than the deepest player. The defensive coach will be 5 yards deeper than any player or referee.**

- ii. Coaches must make every effort to stay out of the play. Any interference by a coach once play has begun will be considered unsportsman like and a referee may flag the coach's team (15 yd penalty). **OR** If the referee deems the action as interference, his judgment of where the ball will be placed (blown dead) is his interpretation and his alone.
 - 1. For example: If a defensive coach runs into an offensive receiver on a pass play and the referee believes the ball would have been caught then it is the referee's judgment on appropriate placement of the ball. If the receiver was behind the deepest defensive back, the referee may decide that a touchdown was possible and award the offensive team a touchdown. If a coach inadvertently makes contact with a player during a play and according to the referee's judgment it did not benefit the infracting team then the play stands.
- iii. Once the center becomes set over the ball, all verbal coaching from coach(s) on the field must cease. If not, an unsportsmanlike conduct will be called by the referee (15yd penalty).

8. Extra Point conversions

- a. 1st - 2nd Grade division
 - i. Run = 1 point
 - ii. Pass = 2 points
 - b. 3rd - 6th Grade divisions
 - i. Kick = 1 point
 - ii. Run/Pass = 2 points
9. In the event the game ends in a tie after regulation play, there will be overtime as follows:
- a. Each team will start a possession beginning from the opponent's 25-yard line. If a first down is made the possession will continue.
 - b. If neither team scores the referee will determine which team gained the most total yardage (positive & negative yardage are used).**
****SUPER BOWL ONLY – If neither team scores or the game is still tied at the end of the 1st OT. Then the ball will be placed at the 10-yard line and then most positive or least negative yards will determine the winner if no team scores.**
 - c. The team with the most positive or least negative yardage is the winner.
 - d. If the game ends in regulation in a 0-0 tie and no one scores in overtime, the winner will be determined by yardage. The loser of the game will be assessed 6 points ("Points Allowed") in the standings.
 - e. If a game ends in a tie other than 0-0 and each team scores in overtime repeat the overtime process until a winner is determined.

- f. If a game ends in a tie other than 0-0 and an overtime period is played in which neither team scores the winner will be determined by most total yardage (positive & negative yardage are used).
10. **Game Balls:** Each team is responsible to have at least 2 game balls at each game. Game ball should be in game condition for use by your offense. The Wilson K2/GST will be used for K-4th grade and the Wilson TDJ/GST will be used for the 5th & 6th grades. The footballs must be leather or composite Wilson brand football. If the team presents a football to the officials that is not legal, an unsportsmanlike conduct foul will be assessed to the head coach. This unsportsmanlike conduct foul will be assessed at the beginning of each half, if a legal ball is not provided. (2) unsportsmanlike conduct fouls is an automatic disqualification for any coach or player.
11. **Offensive Tackle to Tackle Rule:** In all divisions except 5th & 6th grade, NO Defensive Player can rush from a standing position unless they are outside of the offensive tackles or at least 3 yards away from the line of scrimmage. Any player lined up in between the offensive tackles must be in a 3- or 4-point stance. A five-yard penalty will be assessed for any player in violation of this rule.
11. **10-second Runoff Rule – (for 5th, 5th/6th & 6th grade ONLY)** Inside the last minute of either half (59 seconds or less), if there is a foul that stops the clock, such as a false start, defensive offside with contact, illegal forward pass, injury, or helmet coming off, the opposing team will have the option of taking the penalty yardage and taking a 10 second runoff.

The fouling team can “buy” the time back by taking a timeout. If the offended team declines the penalty yardage, they lose the option of taking the 10-second runoff. If the foul occurs with less than 10-seconds remaining in the half or game, the foul could end the half or game.

Forfeiture of Games

If a TYFL team forfeits a game during the regular season or Super Bowl; then a \$750 fine will be enforced, and that money will be given to the host town.

Security

Each TYFL host site is responsible for having a police officer present during all games while hosting. If an officer is not present during all games at a host site, that town may be subject to forfeiture of future hosting's.

Protests

If a team decides to protest any players eligibility or ejection, then that team will pay a protest fee of \$50, payable to Texoma Youth Football, Inc. The TYFL Board will conduct an investigation and make a decision. If the player is deemed ineligible, then the \$50 fee will be refunded back to that team and the TYFL Board will make a decision on the consequences for that player and team. If the player is deemed eligible then the \$50 fee will be nonrefundable.
