

Before registering for your certification, first verify the organization(s) you are associated with by following the steps below. If you don't already have a USA Football account, [you can create one here](#).

Associating with the organization you are coaching for allows the leaders within your organization to track your certification progress. It also grants you access to any promo codes created by your organization.

1

LOGIN to your USA Football account at <https://account.usafootball.com/login>.

The screenshot shows the USA Football login page. On the left, there is a 'Login' section with the text 'Welcome back to USA Football. Fill out the fields below to sign in to your account.' Below this are two input fields: 'Email Or Username' and 'Password'. A 'Forgot Password?' link is located below the password field. A 'Login' button is at the bottom left of the form. On the right, there is a promotional banner for 'Create an Account Today!' with a 'Create Account' button. The banner features an image of a coach talking to a player on a field.
